Subject: Illinois Club Lamb Association 2023 Sponsorship

To Whom It May Concern,

We, ICLA Board of Directors, would like to put forward a donation request on the behalf of Illinois Club Lamb Association and its youth members. We are a youth organization that supports and promotes the youth exhibition of show lambs throughout the state of Illinois. We host several sanctioned shows during the spring and summer where kids exhibit their animals and the work that they have put forth at home.

Our association promotes several values learned through this activity such as: responsibility, work ethic, communication, determination, animal husbandry, and much more.

We are asking for your sponsorship to help award the kids that are members in our association. Any amount helps! Attached is our donation form and the levels of sponsorship are listed there. We will make sure you receive a letter of thanks for your generous donation.

Thank you for your consideration,

Illinois Club Lamb Association Board of Directors
