Subject: 2026 Illinois Club Lamb Association Sponsorship Opportunity

Dear Sir or Madam,

The Illinois Club Lamb Association (ICLA) Board of Directors is reaching out to request your support of our organization and the youth we serve across Illinois.

In 2025, ICLA experienced record participation, with more young exhibitors than ever taking part in our programs and sanctioned shows. With your help, we hope to build on that momentum and continue providing meaningful opportunities for youth involved in the club lamb industry.

ICLA is dedicated to supporting and promoting junior showmen throughout the state. Each year, we host a series of shows where exhibitors showcase not only their animals, but also the hard work, discipline, and dedication they've developed at home. Through these experiences, our members gain valuable life skills, including responsibility, work ethic, leadership, and communication.

We are seeking sponsorships to help recognize and reward these young exhibitors for their efforts and achievements. Contributions of any size are greatly appreciated and go directly toward supporting our youth programs and awards. Sponsorship levels and details are included in the attached form. All sponsors will be recognized for their generous support.

Thank you for considering an investment in the future of Illinois agriculture and youth development.

Sincerely,

Illinois Club Lamb Association Board of Directors
